1. PARTICULARS AND DOCUMENTATION

Immediately upon departure, the master or the agent of the ship must submit the ship's manifest to the Port of Esbjerg for calculation and collection of dues.

The master or the agent of the ship must also submit particulars regarding the ship, its passengers and cargo, including trailers, containers, etc.

The information must be submitted to the Port of Esbjerg using the forms available on www.portesbjerg.dk or CustomerPort-system.

2. SHIP DUES

All ships, vessels and other floating constructions are obliged to pay ship dues for the use of the Port of Esbjerg and the fairways leading to the Port. The obligation to pay ship dues lies with the ship. Ship dues are calculated on the basis of the ship's GT as stated in the ship's tonnage certificate. If the ship does not have a tonnage certificate, the Port of Esbjerg will estimate the ship's GT.

2.1 Ship Dues

The shipowner can choose between paying ship dues per single call or as fixed monthly dues.

a. Single call, for each period of 7 calendar days. The Port will issue an invoice for a minimum of 500 GT per call	EUR 0.456/GT per call
b. Unlimited number of calls, monthly dues subject to prior written agreement. Payable in advance and for a minimum of 500 GT per call	EUR 1.136/GT per month

2.2 Approved Lines

Subject to prior approval by the Port of Esbjerg, lines in service with a minimum of 24 annual calls, public timetables and access for third party goods will receive a refund corresponding to 50 per cent of the ship dues paid (single call).

Subject to prior approval by the Port of Esbjerg, lines in service with a minimum of 48 annual calls, public timetables and access for third party goods will receive a refund corresponding to 75 per cent of the ship dues paid (single call).

Subject to prior approval by the Port of Esbjerg, Ro/Ro lines in service with a minimum of 24 annual calls, public timetables and access for third party goods will receive a refund corresponding to 90 per cent of the ship dues paid (single call).

Application for refund must be submitted to the Port of Esbjerg for one calendar year at a time and no later than on February 1st of the following year.

2.3 Rigs and Jack-up Vessels

Special conditions apply for rig and jack-up vessel calls, and they require prior written approval by the Port of Esbjerg. Please contact the Port Control of the Port of Esbjerg for further information.

2.4 Passenger Dues

All passengers embarking or disembarking within the port area are subject to passenger dues.

Passenger dues	EUR 0.192 per person
Passenger dues for ferries in service	EUR 0.192 per person
Passenger dues for other ferries, cruise ships	EUR 1.05 per person

2.5 Exemption from Ship Dues

Certain vessels are exempt from ship dues. The following exemptions apply:

- Vessels registered for fishery calling into the Port of Esbjerg to unload fresh fish. The exemption applies over a period of 7 consecutive calendar days. After this period of time, the vessel is subject to the ship dues specified in 2.1 above.
- Warships and training ships not carrying goods or passengers.
- Vessels calling at the Port solely to seek medical assistance or land patients, shipwrecked persons or deceased persons. The exemption applies for a period of 2 consecutive calendar days. After said period of time, the vessel is subject to ship dues specified in 2.1 above.
- Vessels carrying goods and materials for the exclusive use of the Port, and vessels used solely for construction and maintenance work carried out at the expense of the Port of Esbjerg.

3. COMMODITY DUES

Commodity dues apply to all commodities loaded, unloaded or in other way transferred at the Port of Esbjerg or the fairways leading to the Port.

The obligation to pay commodity dues is incumbent on the consignee, the consigner or the conveyor.

3.1 Commodity Dues

Other commodities than those listed below	EUR 2.03 per ton

*) Information on the current public service obligation fee can be found at:
<https://ens.dk/service/statistik-data-noegletal-og-kort/aktuel-pso-tarif>

***) Information on the current electricity tax can be found at:
<https://skat.dk/skat.aspx?oid=2061620>

7.1.2 Liability Regarding Supply of Electricity

The Port of Esbjerg offers plug-in facilities at the quay only. The Port assumes no liability for any additional protection that may be required pursuant to the Danish Electricity Supply Regulations or in case of power failure.

In case of storm surge warnings, the power to the quayside power points will be switched off. The Port of Esbjerg does not supply power cables from the quayside power points to the user and assumes no liability for the user's material.

The user is liable to pay for repair work, material, fuses, etc., in the case of damages and defects in the Port's equipment caused by the user.

7.2 Ship Waste Reception System

The Port of Esbjerg has set up a scheme for the reception of ship waste. Please see www.portesbjerg.dk for more information on the scheme.

Delivery of waste is possible within the Service Department's normal working hours. Normal working hours are Monday to Friday from 07:00 to 14:30.

7.2.1 Announcement of Waste

Vessels wishing to deliver waste at the Port of Esbjerg must announce this to the Port at least 24 hours prior to arrival. This is done by filling in a booking form and returning it by e-mail to vagt@portesbjerg.dk

The booking form is available at www.portesbjerg.dk.

7.2.2 Waste Dues

The Port of Esbjerg does not charge any fee for the collection of normal ship waste. However, the Port will charge a special fee in the following cases:

- The quantity of waste exceeds the quantity of waste that the vessel would under normal circumstances have produced since the vessel last called a port calculated as maximum BHP in $1,000 \times \text{sailing hours} \times 1/200 \text{ m}^3$.
- The vessel wants to deliver waste outside normal working hours.
- The vessel does not pay normal ship and commodity dues.
- The vessel has not submitted a booking form stating the waste to be collected 24 hours prior to its call at the Port of Esbjerg.
- Waste is disposed in the wrong containers or placed on the quays without prior notice.
- Waste oils contain less than 65 per cent oil or contain substances other than oil and water.

Any unforeseen costs associated with waste disposal will be charged to the vessel. This applies for costs connected to delays (no matter the reason), no-shows or, for example, if the wastewater has a lower pump speed than anticipated. For more information, see 7.2.3. below.

7.2.3 Charges for Handling of Waste

In cases, where the reception of ship waste is not exempt from waste dues, the vessel/agent will be charged as follows:

Small platform truck, tractor with crane/platform truck, tanker, road sweeper, lorry for container lifting	EUR 115.70 per hour
Service worker	EUR 60.31 per hour
Slop oil	EUR 90.17 per ton

Scrubber waste, packed	EUR 443.10 per ton
Wastewater	EUR 1.97 per m ³

Other material:

Closed container, 18 m ³	EUR 1.97 per day
Setting up of closed container, 18 m ³	Hourly rate for lorry
Emptying of closed container, 18 m ³	EUR 90.90 per time
Container on wheels, 800 l	EUR 12.20 per month
Setting up of container on wheels	EUR 16.66 per time
Emptying of container on wheels, incl. dues	EUR 24.27 per time
Removal of unannounced waste minimum	EUR 364.00 per time

Dues (Waste Disposal Site and Receiving Facility)

The charges follow the current fees of the Municipality of Esbjerg for the type of waste in question.

External Suppliers/Contractors/Waste Recipients

If the vessel/agent does not settle accounts directly with the waste receiver, the Port of Esbjerg will charge an administration fee of 10% in addition to the costs.

7.2.4 Liability Regarding Waste

The ship and the shipowner are liable for the consequences of any incorrect, misleading or missing information on the type, composition and quantity of the waste as well as any leakage caused by defective material or incorrect use of own material at delivery.

8. TERMS OF PAYMENT

8.1 General Conditions

Before departure, all relevant dues must be paid to the Port of Esbjerg or in other ways secured. If it can be substantiated that a ship has paid too much due to erroneous statements or incorrect declarations a refund can be arranged. In the case of erroneous statements, a handling fee of EUR 30.00 will be charged.

Application for refunds must be submitted to the Port of Esbjerg no later than 3 months from the invoice date.

8.2 Due Dates for Payments

8.2.1 Lease Agreements - Land

Payments for the lease of land must be made within the time limit set out in the agreement between the lessee and the Port of Esbjerg.

Overdue payments will be charged with an interest rate (1.5% per calendar month commenced) from the due date. An administrative fee of EUR 15.00 will be charged per reminder.

8.2.2 Lease Agreements - Buildings

Payment for the lease of buildings must be made within the time limit set out in the agreement between the lessee and the Port of Esbjerg.

Overdue payments will be charged with an interest rate (the Nationalbank's lending rate + 8% points) from the due date. An administrative fee of EUR 15.00 will be charged per reminder.

8.2.3 All Other Dues and Fees

All other dues and fees payable to the Port of Esbjerg must be paid within 20 days of the invoice date.

Overdue payment will be charged with an interest rate (the Nationalbank's lending rate + 8% points). An administrative fee of EUR 15.00 will be charged per reminder.

9. LIMITATION OF LIABILITY

If the Port of Esbjerg is held liable for any of the above conditions or otherwise deemed liable, the liability shall be limited as follows:

The indemnity shall be calculated according to the value of goods of the same kind at the time when the damage was established. The value of the goods shall be determined by their market price. If no market price is available, the value shall be determined by the usual value of goods of the same kind and quality.

However, the indemnity shall never exceed SDR 666.67 per package or other unit of goods, or SDR 2 per kg gross weight of the damaged goods, depending on which amount is higher.

For containers and other similar units of transport and their content indemnity shall never exceed SDR 10,000.

The Port of Esbjerg does not assume any liability whatsoever to indemnify operating loss, loss of profit, waiting time for trucks, dockworkers etc. at the Port, loss of market share or any other indirect losses.

SDR is the unit of calculation referred to Section 152 in the Danish Maritime Act. The SDR shall be converted into Danish kroner at the exchange rate applicable on the day that the damage was established.
